3. Chair Report – Councillor M Sheppard

It was reported that there had not been enough nominations for the vacant seats on the Parish Council to hold an election, Cllr Culpin being the only member of the Parish Council. The nomination process will be started by the District Council next week and the leaflet drop had generated a few enquiries.

A full audit of the Village highways and gullies has taken place with a representative from the Highways department and Cllrs Sheppard and Hughes. They are looking into rectifying the blocked drains

There is only enough money held by the County Council for urgent repairs. It is hoped the new Parish Council will continue to liaise with the Highways department.

4. To receive all reports

A report was received from County Councillor Hunter and appended to the Minutes.

Apologies were received from District Councillor Young and PC Paul Marina.

Concern was raised by a resident who had recently moved into the Village, and had been the victim of crimes to his shed and car. He had received assistance from the Police but was concerned that web sites such as Google Earth were displaying information for criminals.

Thanks were expressed from the Parish Council to the retiring Councillors , Paul Marina and his team for all their hard work and also to Andrew Young and Tony Hunter for their commitment to the Parish.

6. Close of meeting
