Dear Sir

WATER PRESSURE UPPER BYGRAVE VILLAGE

During the recent Bygrave Parish Council meeting, one of the Councillors reported that a number of Occupiers in the upper village of Bygrave from Church Lane towards Ashwell (including properties in Church Lane), had complained on numerous occasions and over a number of years to Affinity Water (previously Three Valleys & Veolia) the poor water pressure within the area.

Although each complaint receives response from Affinity, the improvement seems short lived and never resolved.

The Parish Council would be grateful if this situation could be investigated, resolved and the measures taken reported to Bygrave Parish Council please.

The latest occurrence is weekend 12th 13th 14th July 2013.

Many thanks,

Yours faithfully,

Mrs Karen Clark
Parish Clerk
